PERSONAL PROJECTS

Tinder Attandance app
- I Designed attandance app by using Adobe XD .In this app teachers can easily mark the attandance by using Phone,Tab Or Laptop.

Home Land
- I Create google ads campaign for this and manage this project.
- Remember, while Google Ads might not be the most suitable choice for promoting a resume directly, these steps can help you build a strong online presence and personal brand, making it easier for potential employers or clients to find and connect with you.

Roomba TV
- I Create google ads campaign for this and manage this project.
- Created and led a successful Google Ads campaign for "Roomba TV," achieving objectives of heightened brand visibility, increased website traffic, and boosted sales.
- Strategically targeted demographics, interests, and behaviors to ensure optimal audience engagement.
